

Dear Students,

We are pleased to announce that the Office of Medical Education has launched [UserVoice](https://psofficeofed.uservoice.com/) (<https://psofficeofed.uservoice.com/>) – A knowledgebase and student service portal. The growing knowledgebase houses answers to frequently asked questions, how-to tutorials and informative articles in a searchable format and provides a way to **open a ticket** for questions not yet in the knowledge base.

In an effort to respond to your questions in a timely way and to catalog answers to frequently asked questions, we encourage you to begin using this platform for inquiries. Simply go to our [UserVoice page](#) and click on OPEN TICKET: Contact P&S Education on the right hand side and a designated team member will respond to your inquiry within 72 hours.

We hope that this will serve as a major resource for you all as you navigate through the P&S Curriculum. Please feel free to submit suggestions for new articles, "like" existing ones, and share your feedback.
